J6-5. Moon Rocket. After a brief reference to an electric toothbrush and other minor inventions, the film shows how V-2 rockets, equipped with recording devices, aid man in learning about the ionosphere 100 miles above the earth.
© 31May47; MP2632.
J6-6. Twentieth Century Vikings.
© 25Jul47; MP2214.
J7-1. Radar Fishermen.
© 17Oct47; MP2390.
J7-2. Desert Destroyers. The raising of oysters near Conway Castle, Wales; the household devices invented by Mr. W. J. Haynes of Kansas City; and the testing of airborne rockets at the Inyokern Naval Ordnance Test Station in the Mojave Desert.
© 26Dec47; MP2590.
J7-3. Streamlined luxury. New kitchen appliances; apparatus for testing landing gear and brakes of airplanes; new machines for harvesting and canning pineapple in Hawaii; and a train that is the forerunner of our trains of tomorrow.
© 20Feb48; MP2731.
J7-4. Fog Fighters. The making of Johansson gage blocks at Eskilstuna, Sweden; the scientific barber shop at Westwood Village, California; and the new methods used to assure safe landings of planes in fog at Arcata, California.
© 2Apr48; MP2851.
J7-5. The Big Eye. The gigantic telescope and 200-inch mirror at Mt. Palomar, Calif. Shots of two new types of cars that show the influence of aircraft construction methods.
© 21May48; MP3005.
J7-6. The Flying Wing. Demonstrates scientific marvels of the present day. Partially pre-cooked food eliminates drudgery for mother; a "mechanical brain" at UCLA does arithmetic for aeronautical engineers; and the new Flying Wing jet plane demolishes distance for travellers.
© 6Aug48; MP3349.
J8-1. Solar Secrets. Kitchen appliances, including an air conditioner and an electronic range, are demonstrated. A mechanical whirlwind turns soil on a Texas farm. A New York girl creates dolls who resemble their "mothers." Fred MacMurray demonstrates exercise devices at Bing Crosby's Research Foundation. In Colorado, scientists study solar secrets by means of a total solar eclipse made to order.
© 24Dec48; MP3649.
J8-2. The Stocking Yarn. Shows the David Taylor Model Basin near Washington, D. C., where the Navy conducts scientific experiments on model ships and planes; shows the rose gardens of Tyler, Texas, from which flowers are shipped to all parts of the country; and traces the history of the knitting of stockings from the time of Queen Elizabeth to the present.
© 4Feb49; MP3798.
J8-3. White Magic. Shows the processing of gypsum and demonstrates the varied uses of the mineral. A new method for creating Photoware is developed. "Hot rod" enthusiasts compete in home-built racing cars at El Mirage Dry Lake.
© 1Apr49 (in notice: 1948); MP3959.
J8-4. Air Force Fire Fighters. In Illinois, Arthur Hammerstein, retired, becomes a successful inventor of household gadgets; in Chile, the tunnels of a coal mine extend a thousand miles under the ocean's floor; in Peoria, Illinois, the Department of Agriculture converts corncobs into liquid motor fuel; at Lowry Base in Denver, the Air Force personnel is trained in structural firefighting and aircraft crash rescue work.
© 29Apr49 (in notice: 1948); MP4034.
J8-5. Seaweed Science. Demonstrates how a ten-ten scientific beachcomber cleans a sandy beach; shows how synthetic gems are produced; shows how children are taught aviation sciences at Weed Patch, Calif.; and shows how seaweed is gathered off the coast of Florida and processed for agar.
© 17Jun49; MP4265.
J8-6. Talking Turkey. Shows the mechanical bucking horse used to teach beginners at the ranch of Bill Pace; demonstrates machinery used for improved soil tillage methods; demonstrates a new paint which defies flames; and shows how methods for production of turkeys have been improved by science.

Motion Pictures, 1940-1949

INDEX

An alphabetical list of the names of persons and organizations associated with the motion pictures listed in the main section as claimant, producing, releasing, or distributing agent, etc., or as author of the work upon which the motion picture is based. Included also are the names of persons on whose lives the motion pictures are based, or whose names appear in the titles in connection with a musical performance or athletic event. Under each name are listed the titles of the respective motion pictures, together with the year dates. After the titles of serials, the word *serial*, enclosed within parentheses, is given in lieu of a date. An asterisk preceding the title indicates that the name in the heading is that of the copyright claimant.

Publications of the Copyright Office

1953

Catalog of Copyright Entries, Third series, 1947 to date.

Published semiannually in 11 sections. Annual subscription price for all sections, $20.00.

Lists annually the works registered in the Copyright Office, currently amounting to over 200,000 books, pamphlets, periodicals, dramas, musical compositions, maps, works of art, prints and labels, motion pictures, and filmstrips.

Published by authority of sections 210 and 211 of Title 17 of the United States Code. Section 210 provides: "The current catalog of copyright entries and the index volumes herein provided for shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

Certain parts constitute basic bibliographies in their fields and represent the only comprehensive listing of their respective materials.

Subscriptions may be placed for one or more parts or for the whole series. The prices given below are for an annual subscription.

Order from, and make remittances payable to, the Register of Copyrights, Library of Congress, Washington 25, D. C.

Write to the Register of Copyrights concerning availability and prices of the Catalog before 1947.

Books and Selected Pamphlets (Part 1A)

Lists annually about 16,000 registrations for books and selected pamphlets, of which some 45 percent were first published abroad. Alphabetical arrangement by author, with title index. Numbers for 1951 and later include indexing of claimants. $3.00.

Pamphlets, Serials, and Contributions to Periodicals (Part 1B)

Lists annually about 39,000 registrations. Alphabetical arrangement by author, claimant, and title. $3.00.

Periodicals (Part 2)

Lists annually about 55,000 registrations, under 4,000 titles, of periodicals and newspapers. Alphabetical arrangement by title. Contains supplementary list of new periodicals. $2.00.

Dramas and Works Prepared for Oral Delivery (Parts 3–4).

Lists annually about 5,000 registrations, approximately 70 percent of which are unpublished dramatic and dramatico-musical works. Alphabetical arrangement by author, except that radio and television programs are listed under title. Lectures, sermons, and addresses are also included in this Catalog. $2.00.

Published Music (Part 5A)

Lists annually about 16,000 registrations of published music, of which approximately one-half were published abroad. Alphabetical arrangement by composer or author, with title index, claimant index, and classified index. $3.00.

Unpublished Music (Part 5B)

Lists annually about 40,000 registrations of unpublished music. Alphabetical arrangement by title, with index names of authors and claimants. $3.00.

Renewal Registrations—Music (Part 5C, formerly Part 14B)

Lists annually about 8,500 renewal copyright registrations for musical compositions. Alphabetical arrangement by title. $2.00.

Maps and Atlases (Part 6)

Lists annually about 2,700 registrations for maps, atlases, and globes. Alphabetical arrangement under name of person or organization primarily responsible for the content of the map. Numbers for 1951 and later contain a subject and area index and a publishers' directory with complete addresses. $1.00.

Works of Art, Reproductions of Works of Art, Scientific and Technical Drawings, Photographic Works, Prints and Pictorial Illustrations (Parts 7–11A)

Lists annually about 8,500 registrations. Alphabetical arrangement by author or title. $2.00.

Commercial Prints and Labels (Part 11B)

Lists annually about 12,000 registrations for prints and labels published in connection with the sale or advertisement of articles of merchandise and registered for copyright. Alphabetical arrangement by claimant. $2.00.

Motion Pictures and Filmstrips (Parts 12–13)

Lists annually about 2,500 registrations for filmstrips and theatrical and nontheatrical motion pictures. Alphabetical arrangement by title, with a classified list arranged under headings which indicate the general nature or intended use of the films, a subject index for nontheatrical films, and an index of claimants, producing companies, sponsors, and authors. $1.00.

Renewal Registrations—Literature, Art, Film (Part 14A)

Available for 1947, 1948, 1949, and 1950. *Renewal registrations for 1951 and later are listed with their respective classes, except music renewals which are listed in Part 5C, described above.* $1.00.

Dramatic Compositions Copyrighted in the United States, 1870 to 1916. 2 vols. 1918.

Includes all titles for dramatic works registered from July 21, 1870, to December 31, 1916, inclusive; upwards to 60,000 titles. Alphabetical arrangement by title, with index of claimants, authors, editors, etc. $4.00.

Motion Pictures, 1894–1912. 1953.

Lists about 6,000 works registered as photographs in the Copyright Office and identified as motion pictures by Mr. Howard L. Walls, Curator of the Motion Picture Collection of the Academy of Motion Picture Arts and Sciences. Alphabetical arrangement by title, with an index to claimants. $2.00.

Motion Pictures, 1912–1939. 1951. $18.00.

Motion Pictures, 1940–1949. 1953. $10.00.

These two volumes belong to the *Catalog of Copyright Entries, Cumulative Series.* They list approximately 70,000 motion pictures registered in the Copyright Office from August 24, 1912 to December 31, 1949. Alphabetical arrangement of each volume is by title, with an index to authors, claimants, and producing and distributing companies, and a list of series titles.
